

**Press Release Gebrüder Weiss
Bucharest, the 21st of June 2010**

Gebrüder Weiss – 1.9 million Euro investment for building a new logistic terminal in Sibiu

Sibiu, June 11, 2010, in the presence of Mr. Viorel Leca, Managing Director GW Romania, and Mr. Eugen Iordanescu, President of the Commerce and Industry Chamber from Sibiu, started the construction for a new Gebrüder Weiss logistic terminal in Sibiu of about 1.9 million Euro.

The Logistic Terminal Gebrüder Weiss from Sibiu is built accordingly to the same high quality standards as the one in Bucharest and will benefit of a real estate surface of about 30.000m² and approximately 1000 m² available for cross-docking.

At the event took part Mr. Viorel Leca, Managing Director GW Romania, and Mr. Eugen Iordanescu, President of the Commerce and Industry Chamber from Sibiu and Mr. Mihai Krammer, General Manager Unger Steel – the developer in charge with the GW Sibiu Project.

The investment will bring in the central area of the country the advantage of a class A logistics solutions, a region with high concentration of important economical agents. These companies will benefit starting with October of efficient logistic solutions that will bring them an important competitive advantage.

The national network of Gebrüder Weiss has reached in the last year a dynamic development. At the end of the previous week, the forwarding provider has taken an important step in the development process of it's domestic network by starting the constructions for a new modern logistic terminal in Sibiu.

Gebrüder Weiss

The logistic network of Gebrüder Weiss, having the Head Office in Lauterach (Vorarlberg), has more than 4 500 employees world-wide located in 137 working points. In Romania, Gebrüder Weiss SRL operates through it's cross-docking terminals in Bucharest, Arad, Sibiu, Bacau and Craiova. The efficient organizing system, the modern techniques efficiently handled by a high qualified personnel along with the informational and communication systems are the key to the permanently fast growing of Gebrüder Weiss in Romania.
